Early Years Conference

'Early Intervention enables every baby, child and young person to acquire the social and emotional foundations upon which our success as human beings depend'.

Graham Allen MP

Early Intervention: The Next Steps

January 2011

The School of Infant Mental Health has been providing early intervention training for over 20 years as the only school offering postgraduate, parent – infant psychotherapy accredited by the United Kingdom Council of Psychotherapy (UKCP) with a professional doctorate in this field through collaboration with the University of East London (UEL). Throughout the year we offer CPD certified early intervention workshops and seminars. A prospectus is available upon request.

Sponsorship and Exhibitor opportunities

We offer a range of flexible packages which offer your organisation a platform to network and communicate with key organisations in the public and private early years sector.

For further information please contact Clair Rees on 0207 4333112 or email on trainings@infantmentalhealth.com

Benefits of Attending

- Understand the importance of early intervention in early years for successful practices.
- Take the opportunity to hear from a parent and professional perspective on the early years.
- Explore further information sharing through networking with other early years practitioners.
- CPD Certified through the Royal College of paediatrics and Child Health (RCPCH)

Who Should Attend

This conference is relevant to all early years leaders and practitioners including:

- Early Years and Childcare Teams
- Special Educational Needs (SEN)
